WORLDWIDE  
TICKETCRAFT

Offer general admission or reserved seating tickets, reservations to classes, and reoccurring event ticketing both online and offline. The simple ticketing interface makes even the most complex venues and events easy for your patrons to buy tickets making this the perfect solution for any event.

## Online Access

We will provide you with 24/7 online access to your account to see exactly how many tickets have been purchased, for what performances and to whom. Our system provides a full suite of real time reports to monitor your account and performances.

## No Software Required

All you need is an internet connection. The system was designed to be extremely simple to train on and intuitive to use. We host and maintain your system around the clock with no downtime and 24-hour tech support.

## How long does it take?

Once we have all of your shows, dates, times, prices, etc., we can normally have the link to your site ready within 2 weeks.

## FREE Ticket Solution

If you offer free tickets you can assign a membership number and designate how many tickets are available per show.

## How does it work?

We link a page to your web site so the ticket purchasing is done through Worldwide Ticketcraft. The purchase engine is handled by E-Tix, our partner. We handle the transactions so you don't have to worry about merchant accounts and security.

## Want to sell tickets online?

Our Full Box Office allows unlimited users, pricing options, and seating rows/configurations, and changes can be made at any time. Worldwide can give you the ability to market to the customer on the ticket. Our system provides a robust reporting suite. The system allows for e-blasts and can tie into Facebook.
