

If possible, send full-resolution, original native files. If art has text, send all fonts with artwork or outline text. All text must be in vector format.

FLEXOGRAPHIC PRINTING (THERMAL TICKETS)

- Must leave 1/16" (.0625") safe area within ticket area and around perforations. No text or logos in this area as it may be cut off.
- Art needs to extend 1/8" (.125") outside of ticket area for bleed.
- If timing mark is required on back of ticket, room must be left for timing mark and quiet zone. Quiet zone can not have any solid black ink or PMS colors with black mixes.

DIGITAL PRINTING

- Must leave 1/8" (.125") safe area within ticket area and around perforations. No text or logos in this area as it may be cut off.
- Art needs to extend 1/8" (.125") outside of ticket area for bleed on all sides.
- All opposing team logos must be sent as vector art.
- Any text or logos that will be foil stamped must be sent as vector art.
- If your job requires die cutting, please contact your sales rep for further art specifications.
- Please make sure all elements of job (opposing team logos, coupons, sponsor ads, parking, schedule, etc) are sent when art is submitted.

FILE SUBMISSION

- Files smaller than 10MB can be emailed. Larger files can be uploaded to our FTP site or sent through a file transfer service such as Dropbox, Hightail, Wetransfer, etc.

FTP CREDENTIALS
